

"SLASHBUSTER"

SG 360 Stump Grinder

Excavator Mounted Stump Grinding Attachment

**Patented
Guide Cones**

**Carbide
Teeth**

The SG 360 attachment mounted on a 40k pound or larger excavator is dollar for dollar the handiest, easiest to operate and most productive stump grinder you will find. It has the same design as the SG240 but is manufactured to capture the performance available from a larger excavator.

Use the **Double Heel Rack** to remove obstructions and dig around stumps when grinding below soil level
